Survey participation dynamics

What is your opinion on:

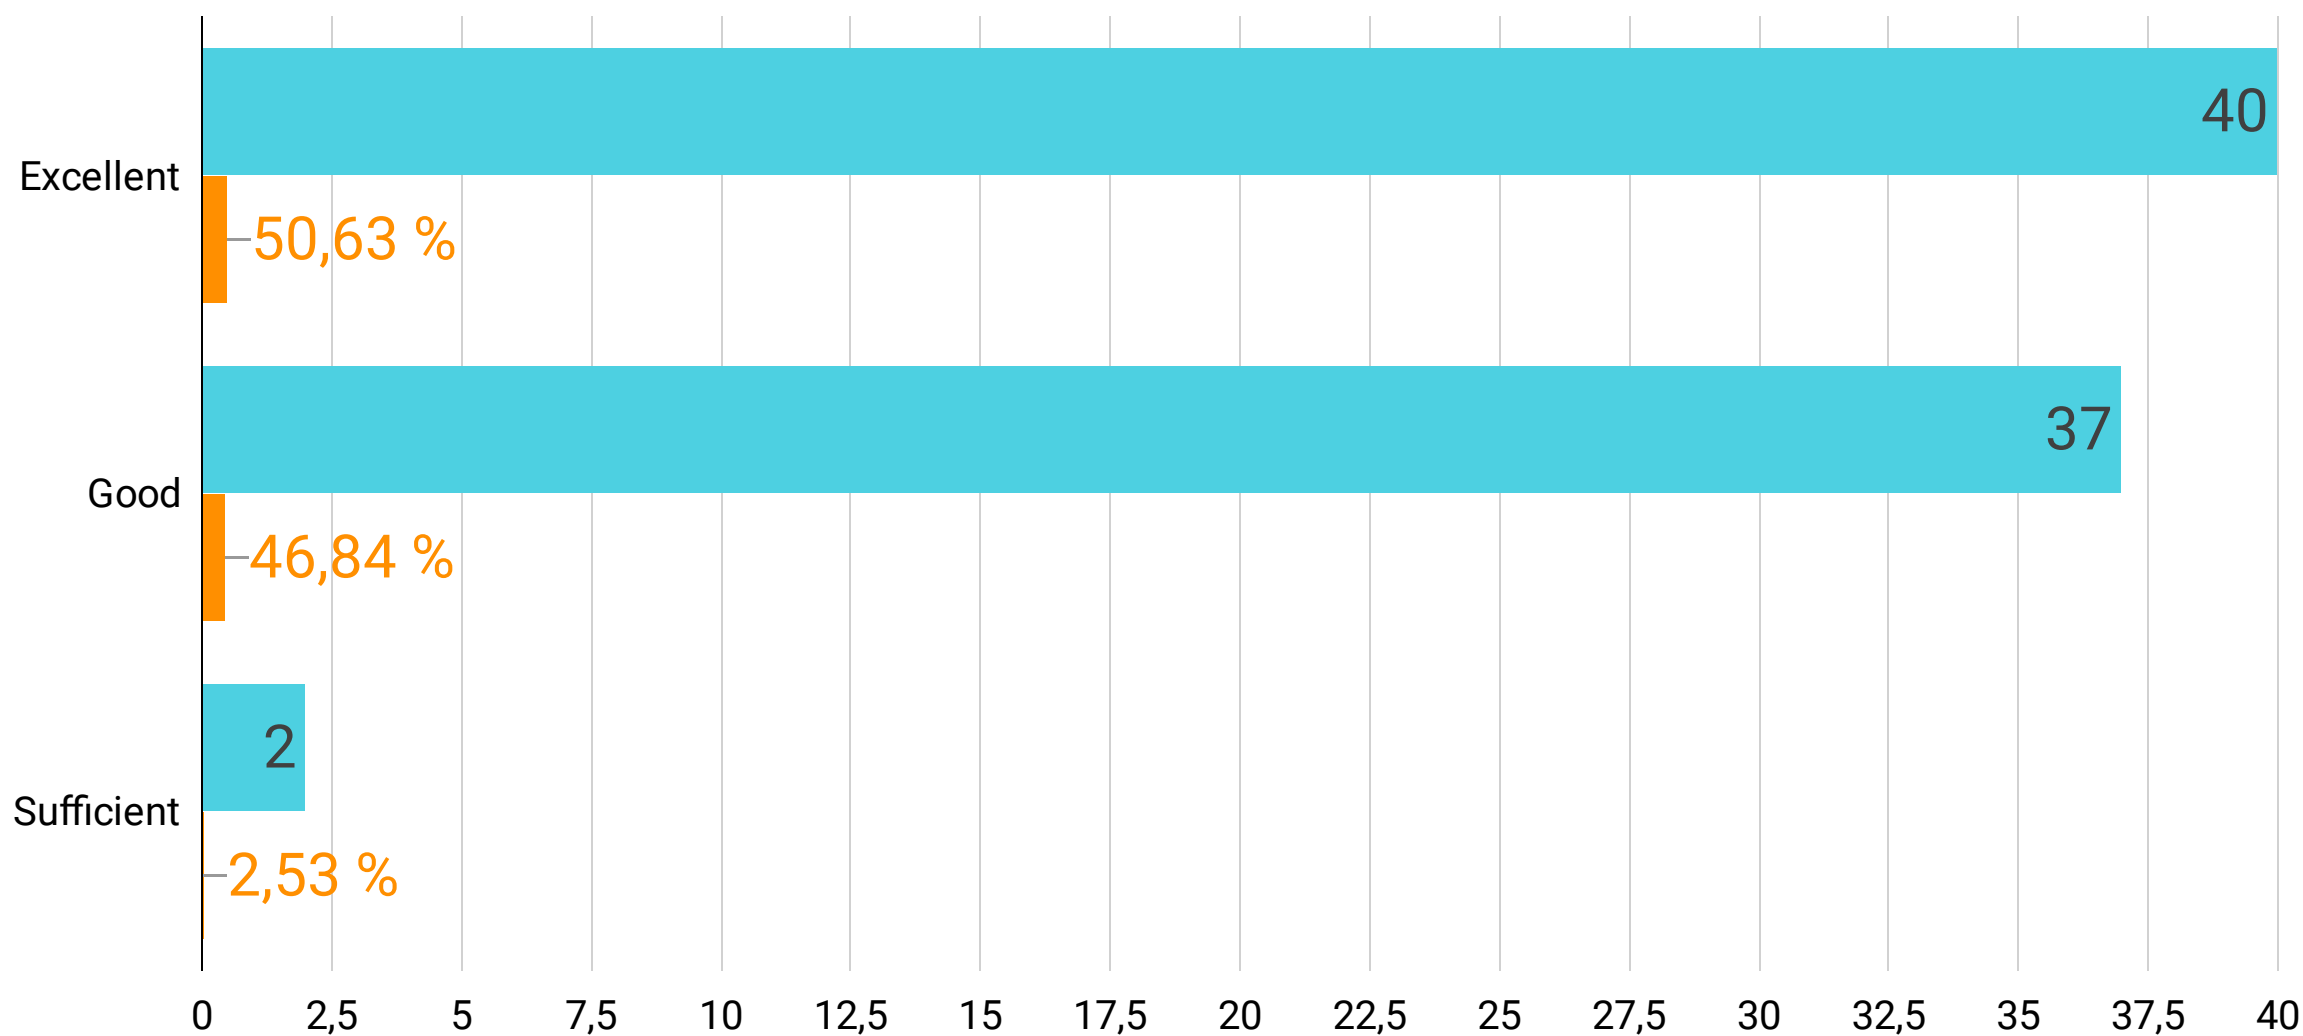

1. The proposals of a new QA procedures on institutional accreditation are?

What is your opinion on:

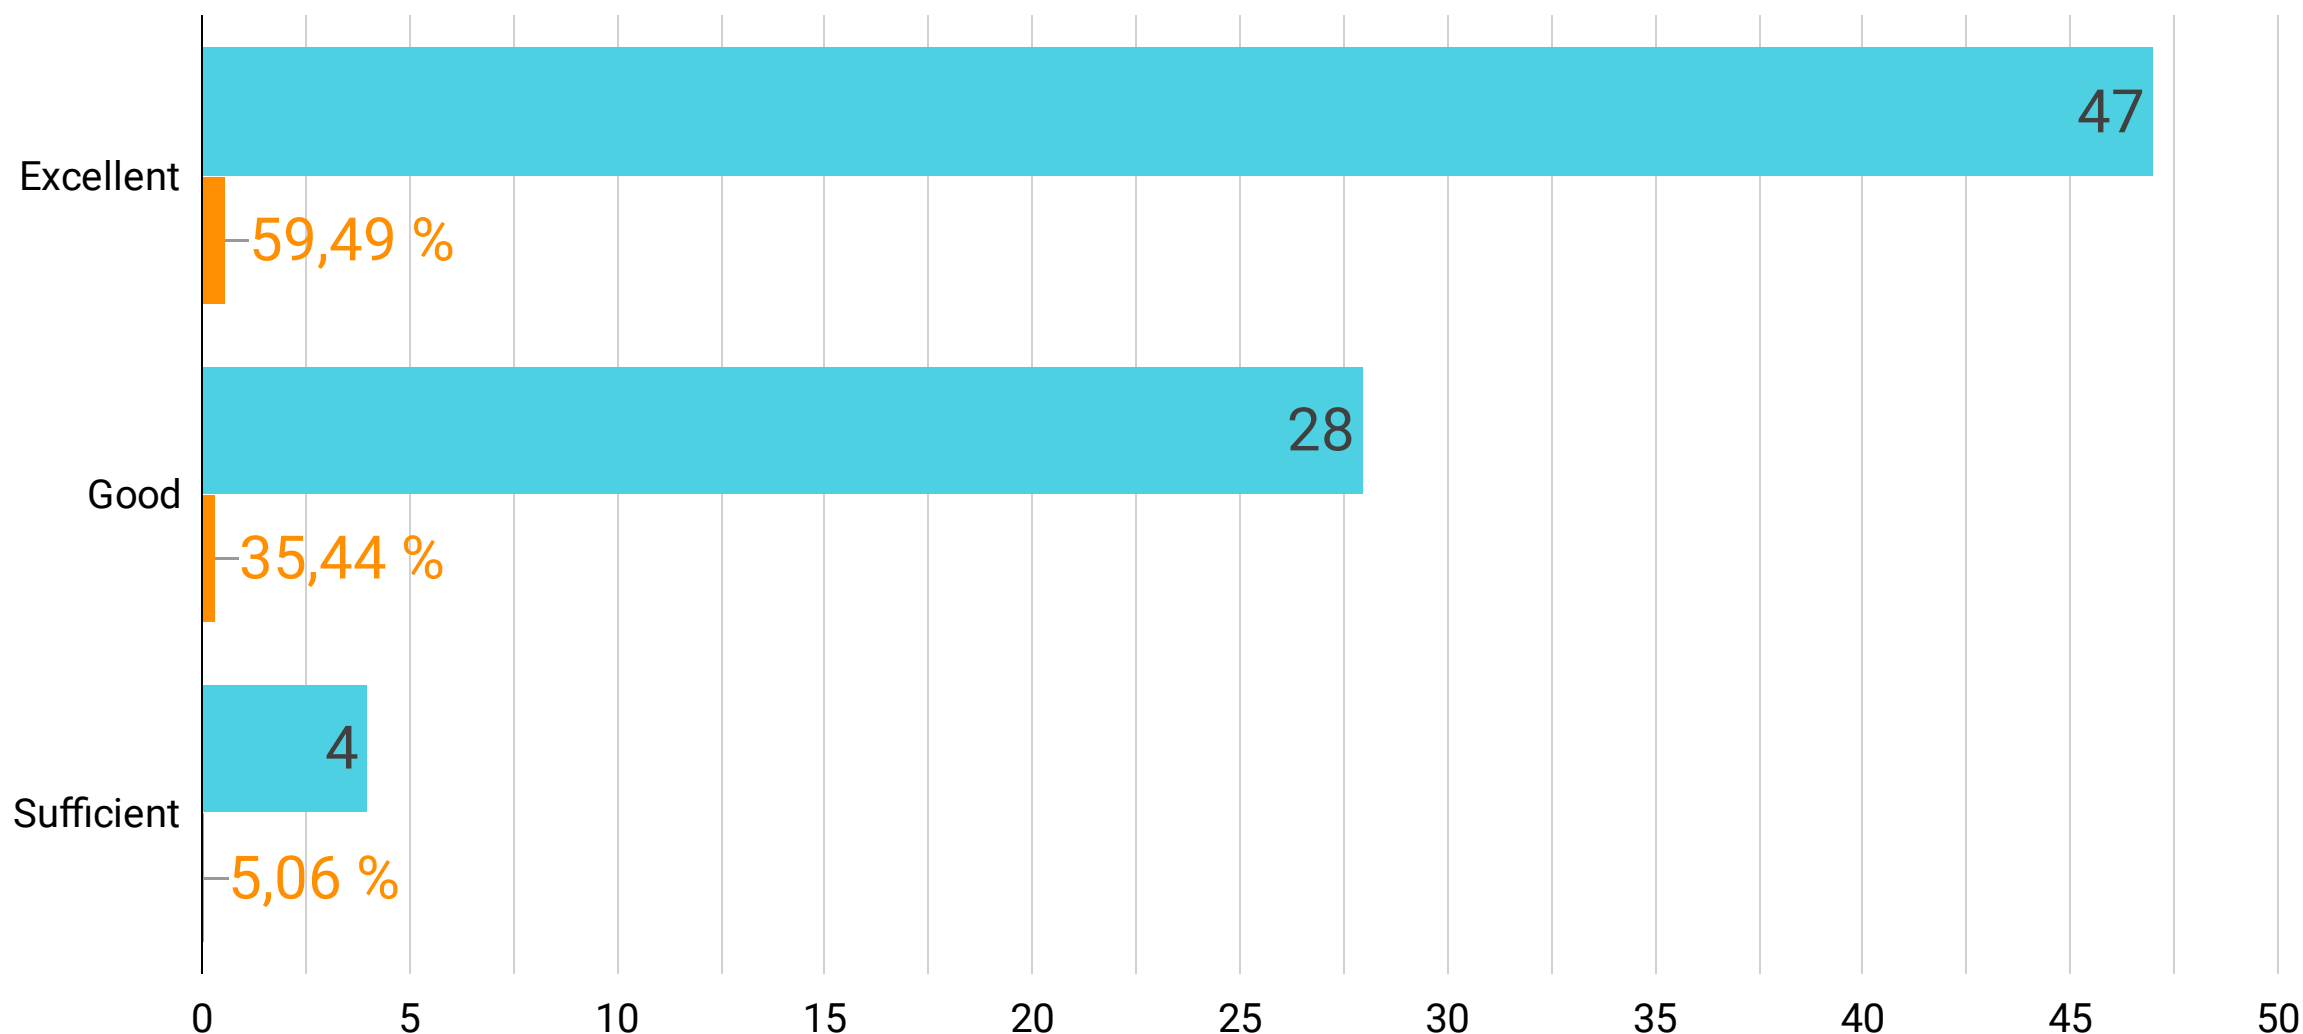

2. The proposals of a new QA procedures on institutional accreditation are appreciated by the university QA departments:

What is your opinion on:

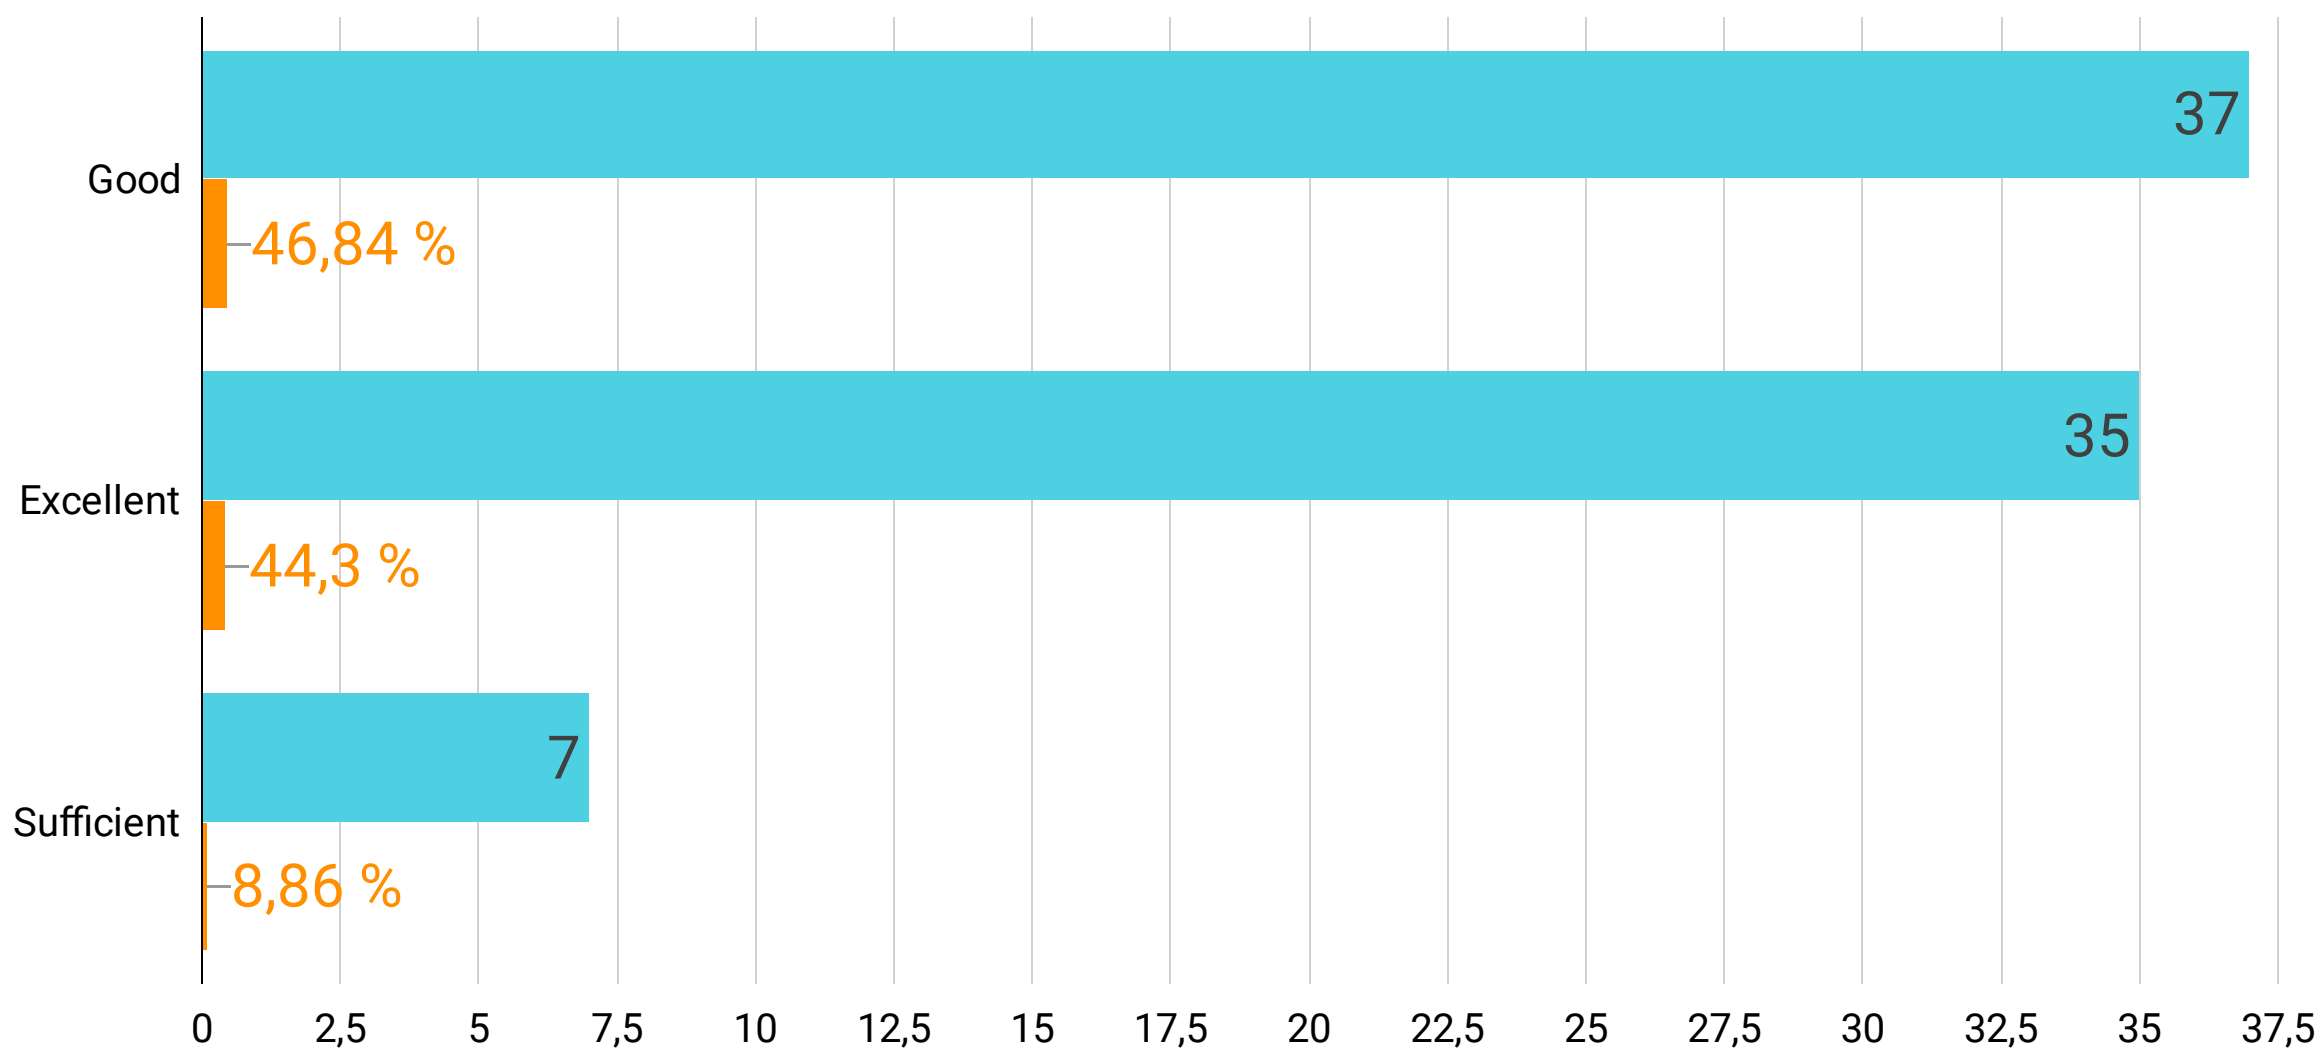

3.The presentations of a new QA procedures on institutional accreditation in your institution were?

What is your opinion on:

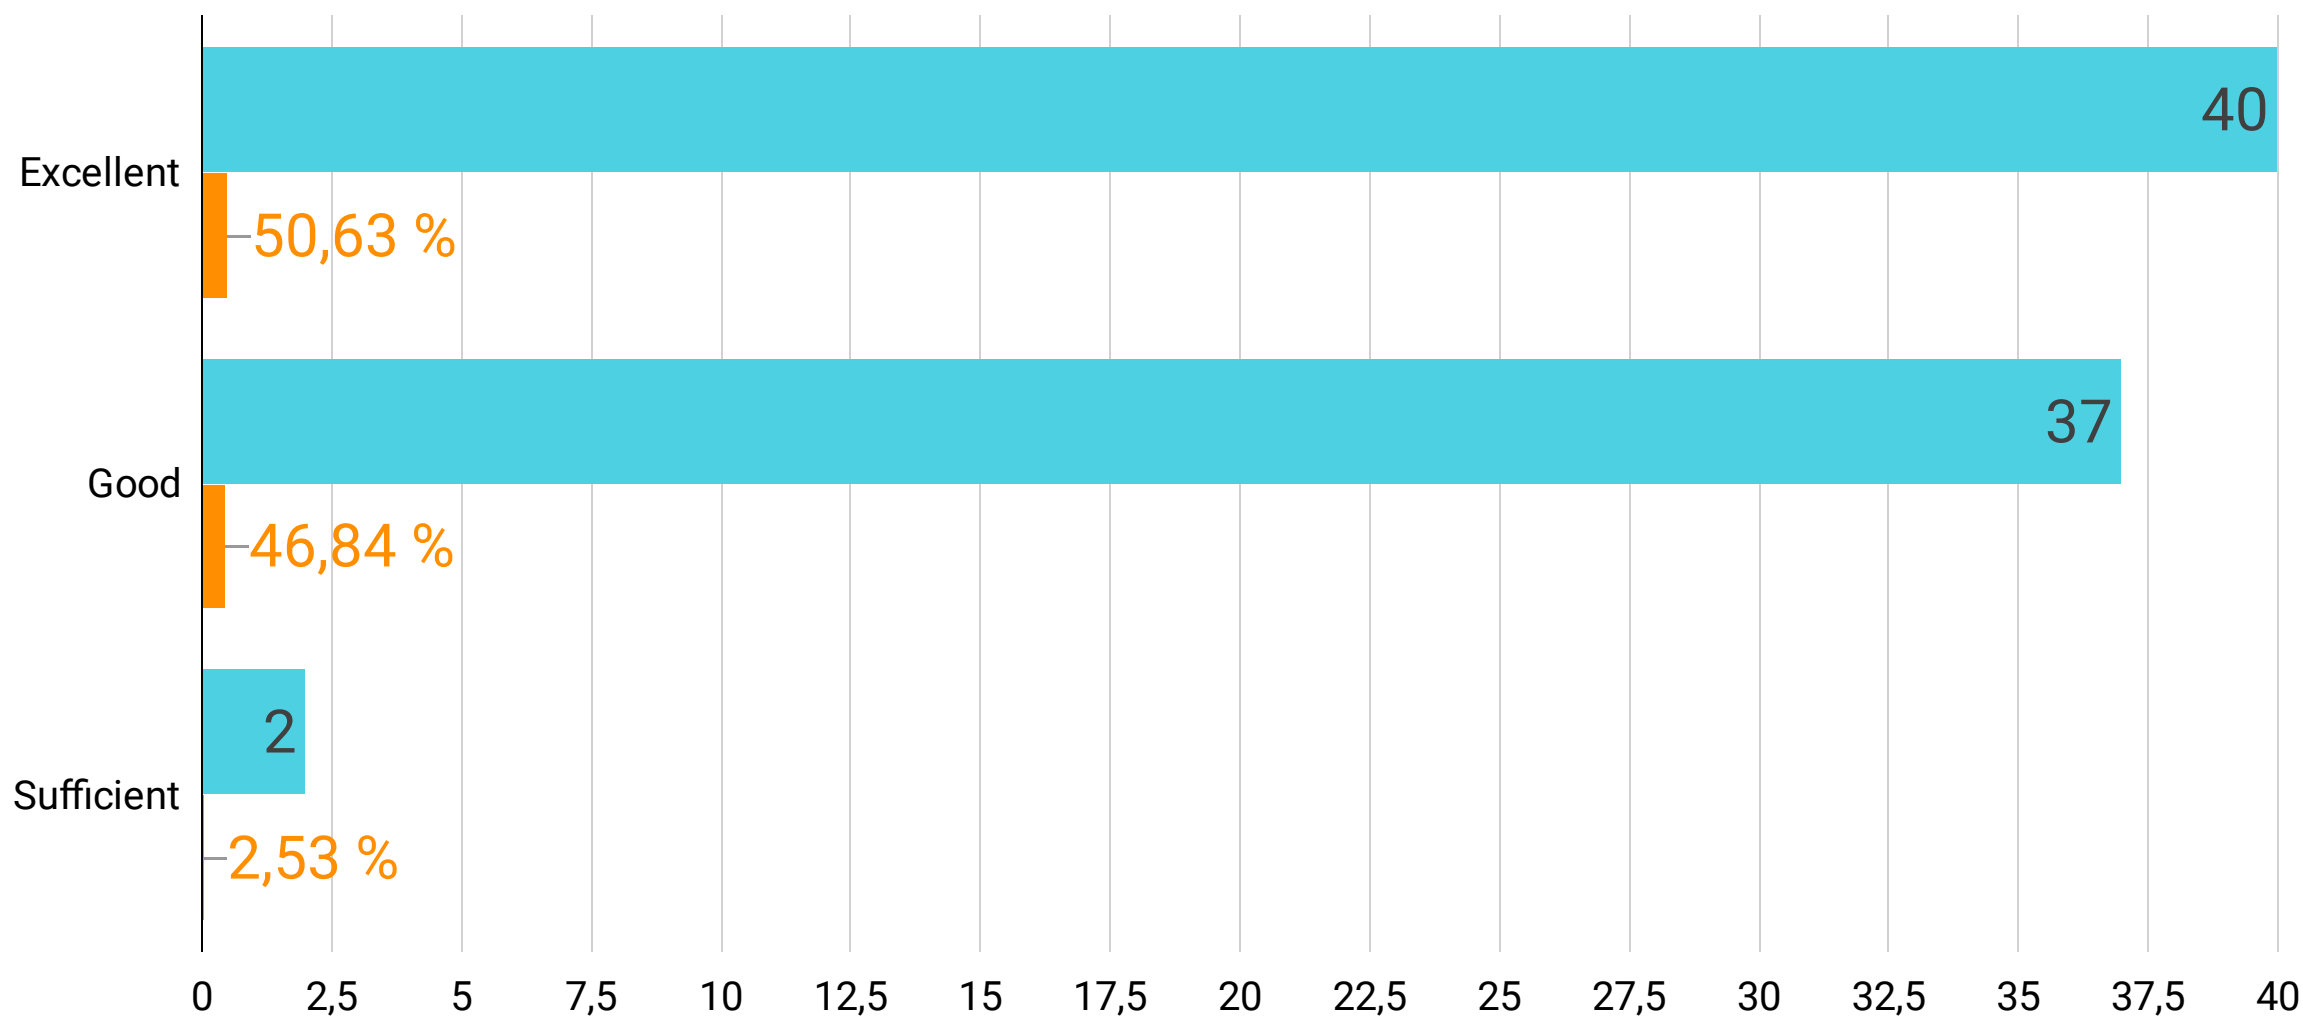

4. How long were the presentations of a new QA procedures on institutional accreditation in your institution ?

What is your opinion on:

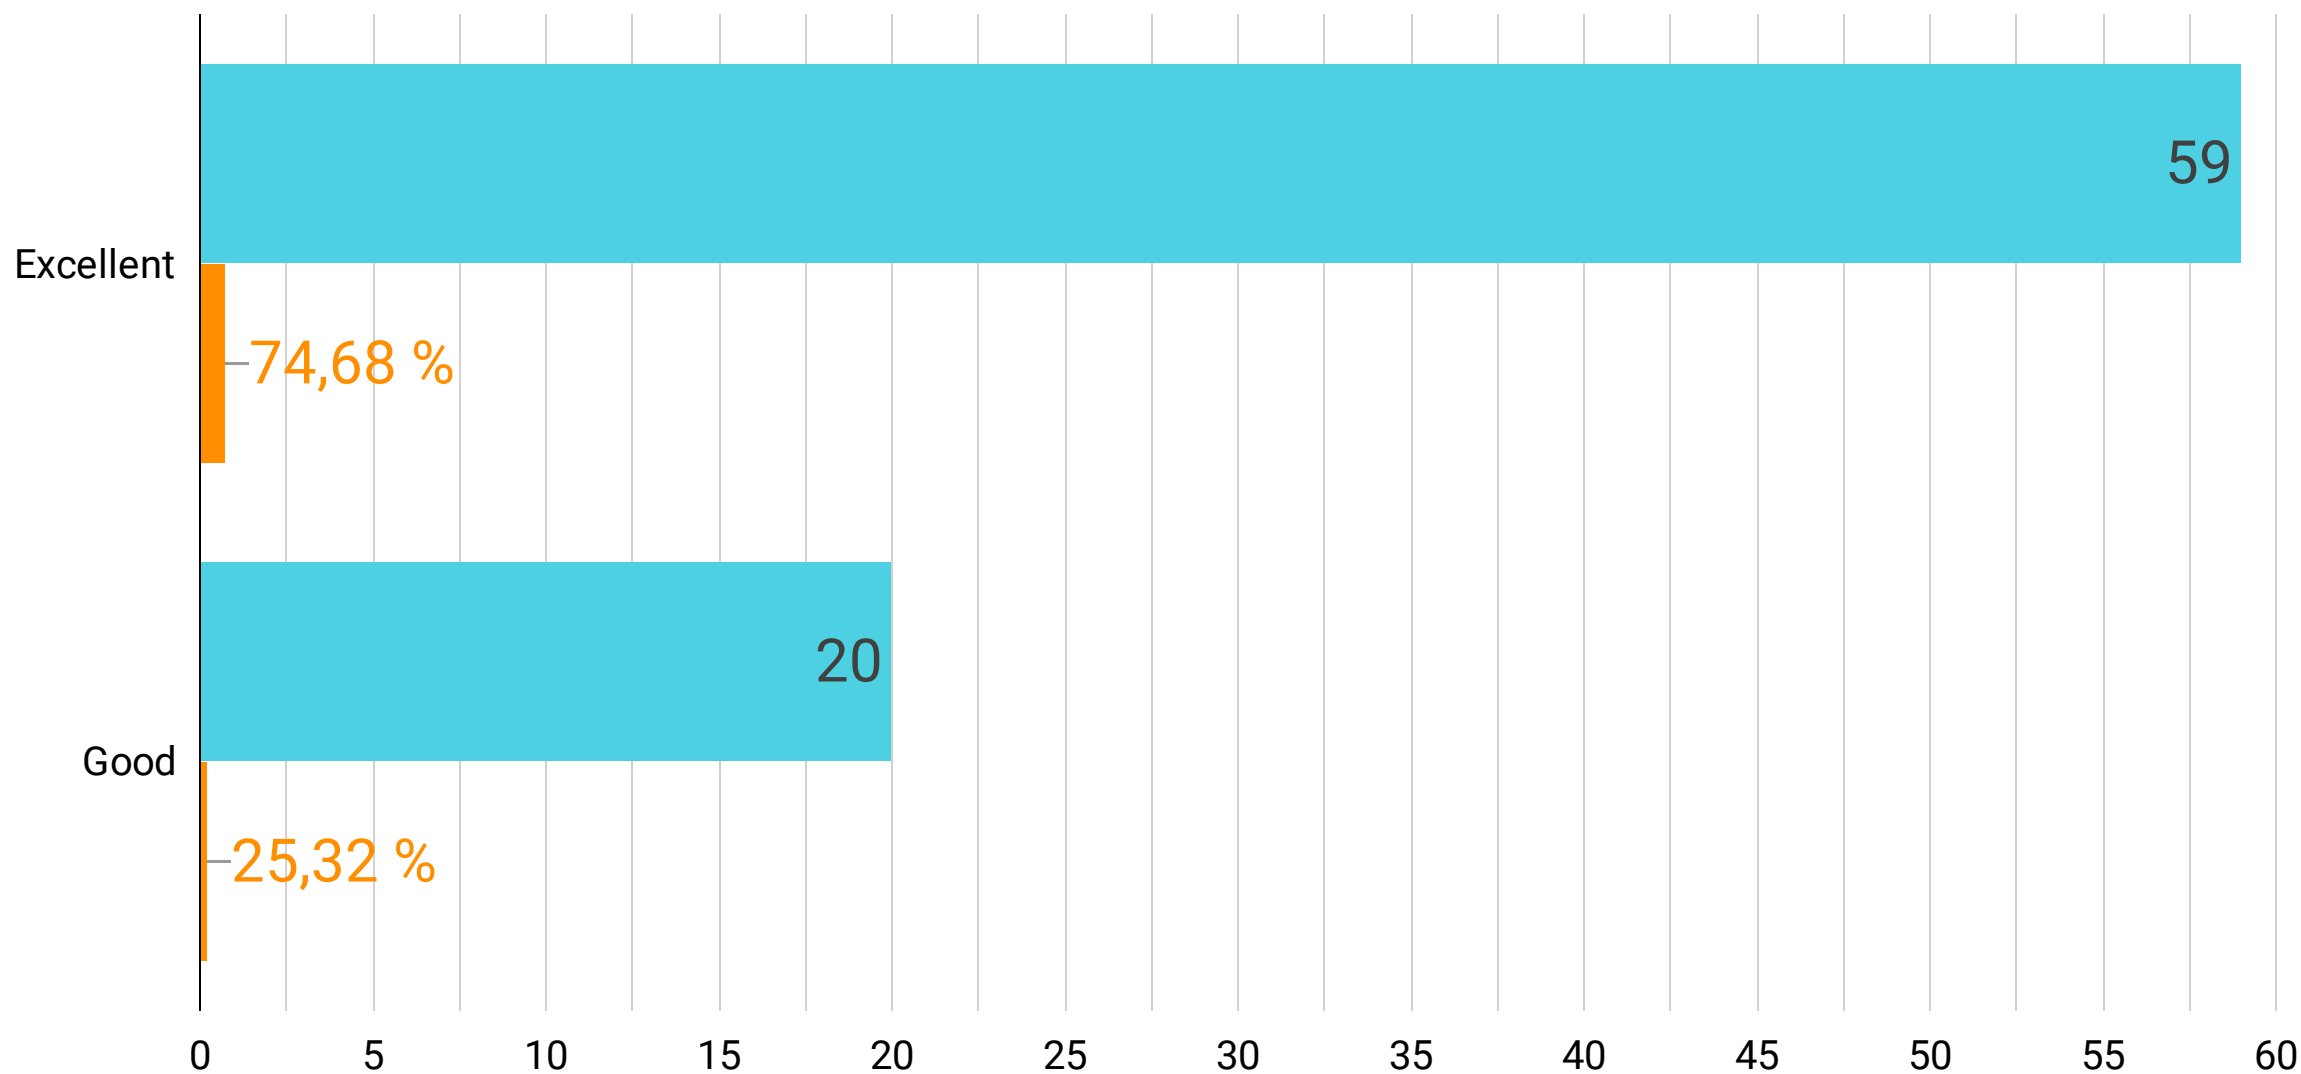

5.The availability of a new proposals of a new QA procedures on institutional accreditation?

What is your opinion on:

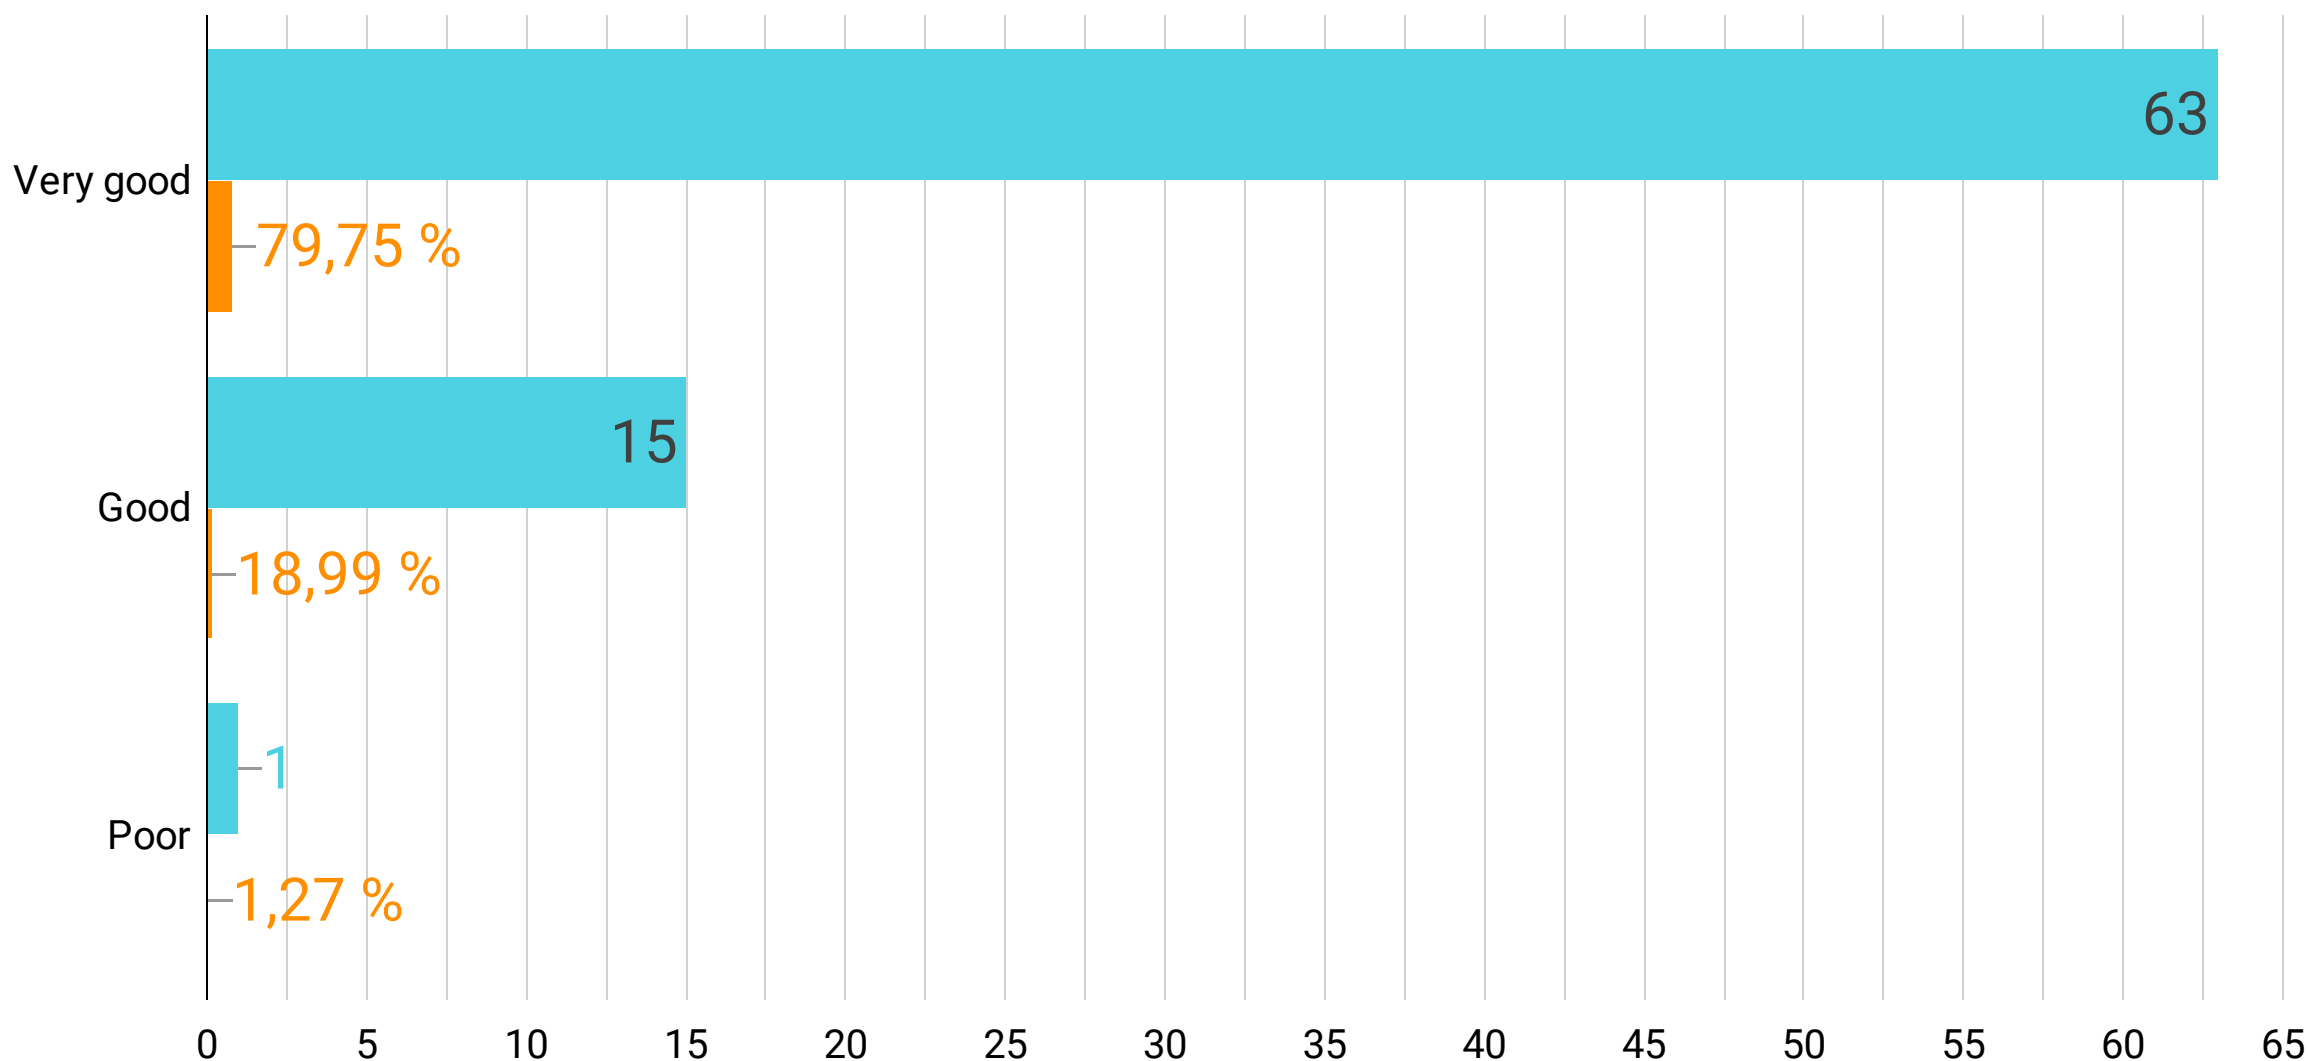

6.The information and assistance provided by institutional coordinator?

What is your opinion on:

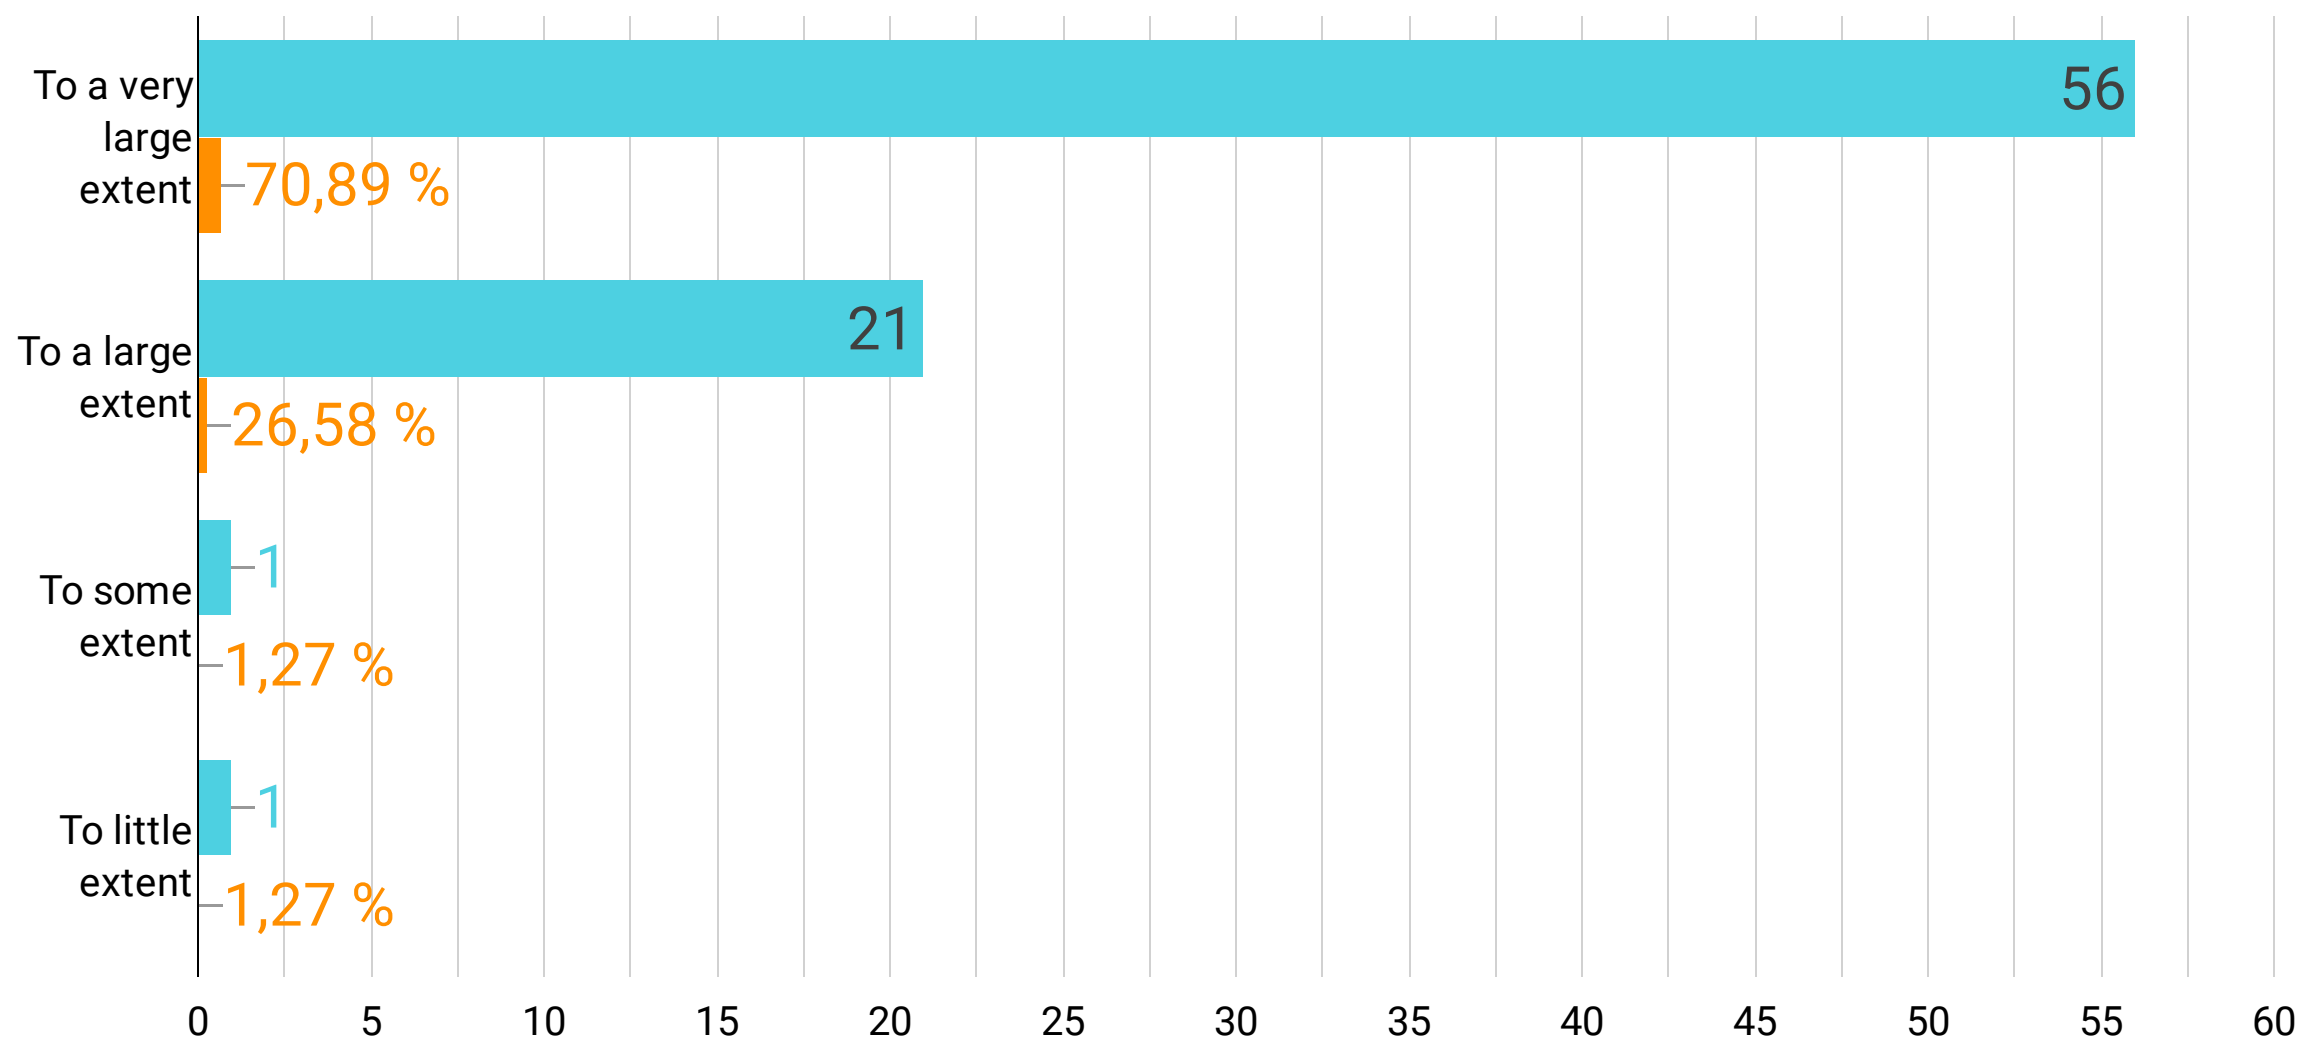

7. How well do you think the objectives and outcomes of the QFORTE project were achieved?

What is your opinion on:

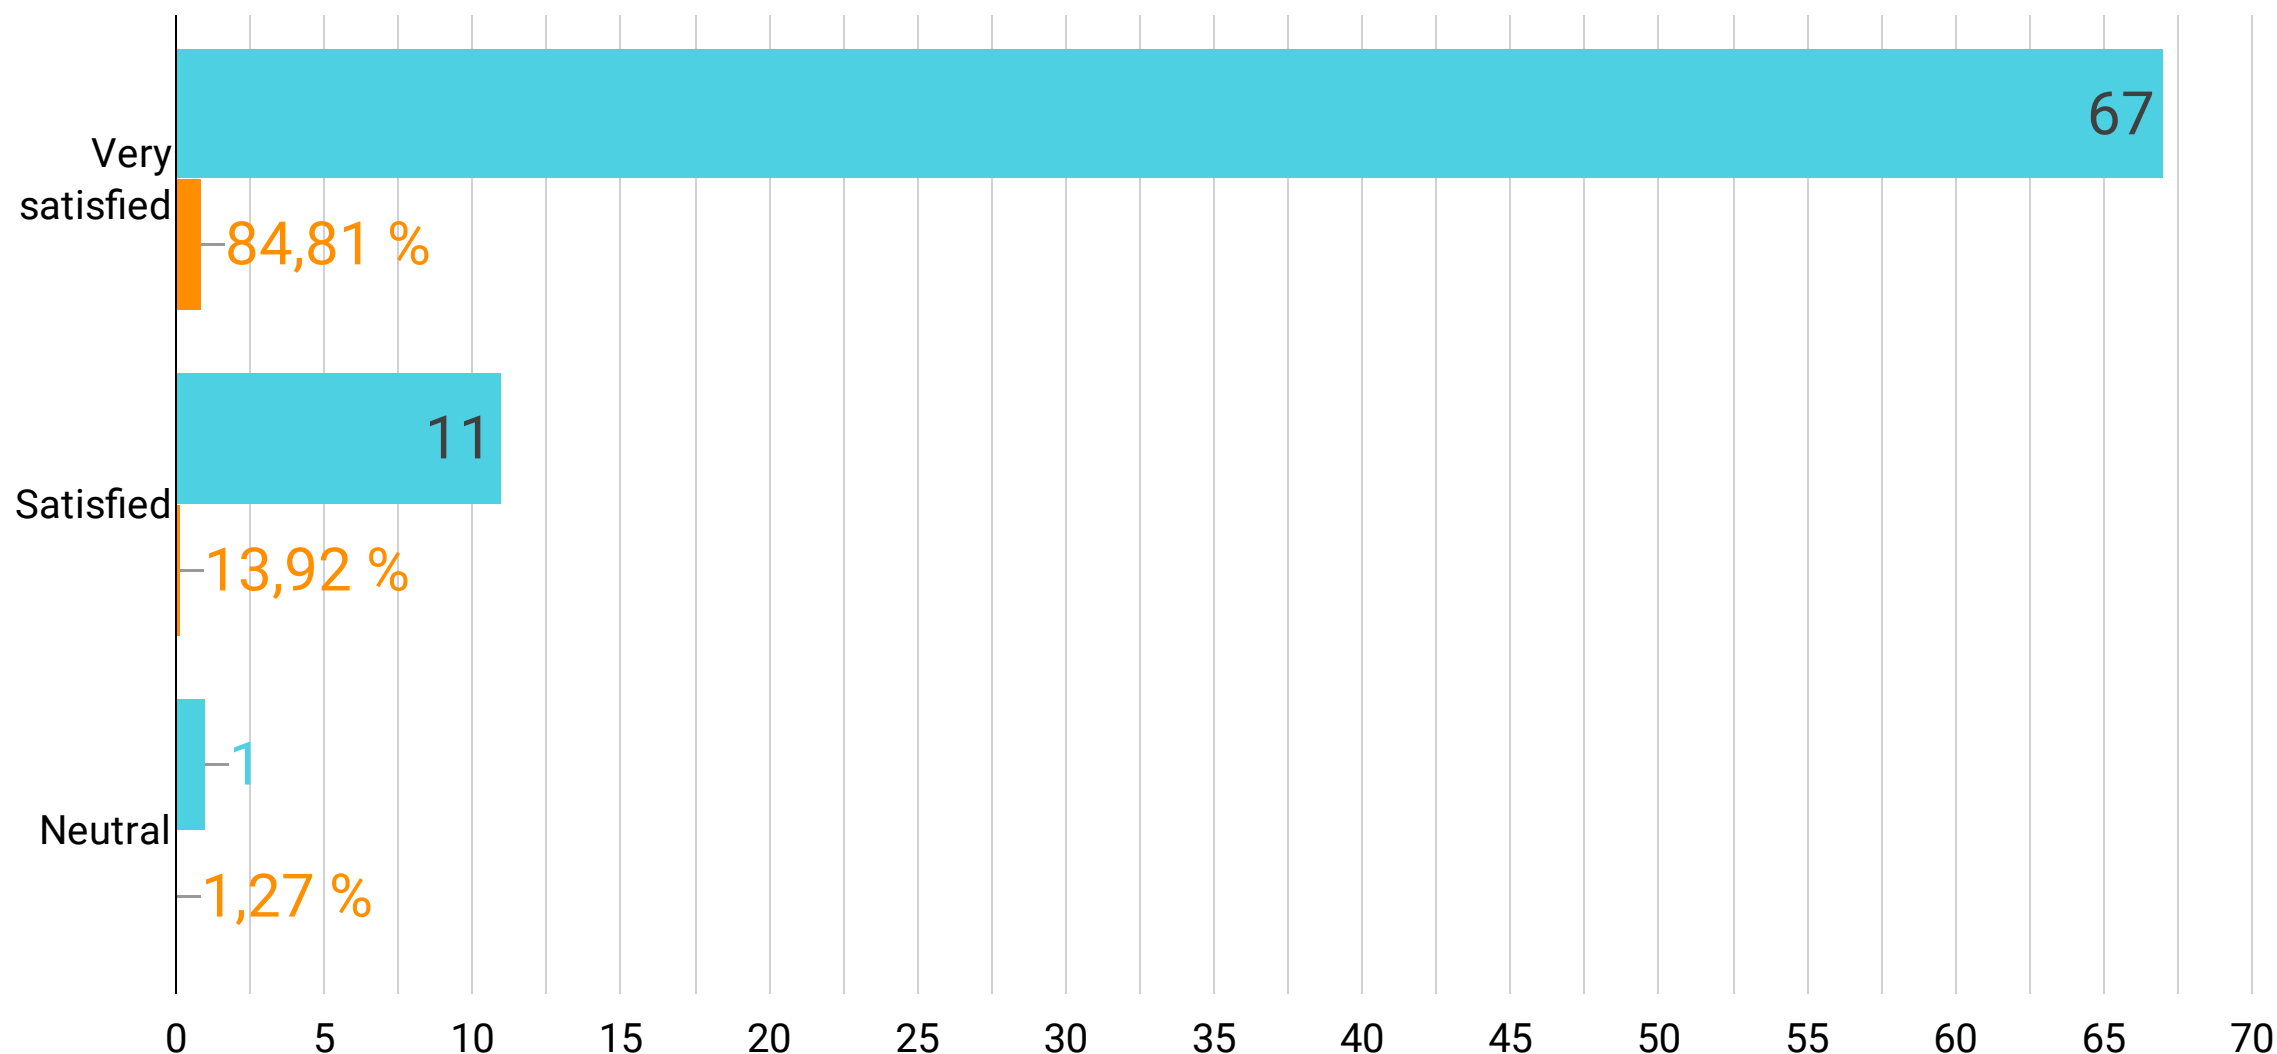

8. How much do you consider the QFORTE project has helped institutions to improve/consolidate their Internal Quality Assurance System?

What is your opinion on:

9. What is your overall level of satisfaction regarding the implementation of the QFORTE project?

Comments and suggestions:

1. The QFORTE project was very welcome and positively influenced quality assurance practices at Moldovan universities. It was an honor to be part of the project team. Thank you for a very efficient and pleasant cooperation!
2. A very good project, with excellent results for my home institution and overall higher education system of Moldova.
3. Based on the recent QFORTE project conference, it seems the project has successfully promoted a culture of quality in Moldovan higher education, bringing it closer to international standards. Thanks to all the actors involved!
4. I am thankful for this project. I have lots of good memories about participating in this project. It is a project that is welcomed by our institution openly.
5. I thank the Qforte project for all the possibilities offered, for the exchange of experience and for the opportunity to participate in trainings and study visits, to know better how a quality management system should work.
6. In my opinion, during the implementation of the QFORTE project, the project's objectives were totally achieved on national, institutional and even individual levels. The elaboration and adoption of Quality assurance strategy, manuals and measures, institutional and national raise awareness events and workshops has contributed to the achievement of the project's goals and sustainability of the results.
7. None
8. Proiectul ne-a generat noi posibilitati si oportunitati de a imbunatati procesele si procedurile de sistemului de calitate institutional, schimbul de exeperientă cu universitatile de peste hotare și nationale a creat conditii pentru a dezvolta si imbunătăți managementul calității în universitate. va multumim.
9. Proiectul a fost bine venit pentru toate universitățile din Republica Moldova, în vederea adaptării sistemului de management intituțional al calității la nivelul bunelor practici europene
10. SUCCESS for the coordinators
11. Thank you very much for the opportunity to participate in this project. It was a very nice and beneficial experience in developing institutional quality.
12. Thank you!
13. Thank you.
14. The project has and will continue to have a positive impact on improving the quality assurance process within our university.
15. The project should be scaled up, as it was an extremely beneficial project for the HE system
16. We are happy with the useful experience
17. We have to have such kind of projects more in order to modernize the HE system both at institutional and national level.
18. ne dorim continuitate pentru asemenea proiecte reușite și cu impact benefic pentru instituție, aducem sincere mulțumiri și exprimăm recunoștință pentru activitatea desfășurată, coordonatorilor naționali și instituționali și partenerilor proiectului.
